- **3. INFORMATIVE SPEECH WITH POWER POINT**: Each student will choose a topic relating to a person, place or object. This speech requires research sources to be cited verbally in the speech at least 3 times. A minimum of 3 PowerPoint slides must accompany the presentation. Good organization and delivery are required.

Goal: To cite research effectively in a speech and learn to use PowerPoint correctly.

(Time Limit: 4-6 minutes)

Assessment

- ❖ Attendance: Each student is required to attend 90% of class meetings, even if they are Zoom meetings online. Non-attendance does not constitute withdrawal from this course. It is the student's responsibility to complete the withdrawal forms by the appropriate date.
- ❖ Grading: Speeches will be graded based on what I see and hear during your performance. Outlines will be submitted and graded online. It is important to check my comments on your outlines.
- **Testing:** All quizzes and tests will be online through CANVAS. I rely on the honor system.

Grading Scale

90-100 % = A 80-89 % = B 70-79% = C 60-69% = D 59 & under = F

Make-up policy: Taking this class is a responsibility and so is meeting deadlines.

<u>Quizzes and Journal entries</u> will be open for at least a week on CANVAS. If you have not completed the work by the deadline on the course schedule, it will result in a zero. I will not reopen it.

<u>Outlines</u> will be due by the date listed in the course schedule. If you miss that deadline, you may email me your outline through CANVAS for my evaluation. I will give you feedback on it to make sure your speech will be correct, but you Will Not receive a grade for that outline. I will not reopen it.

<u>Speeches</u> have due dates listed in the course schedule. If you do not perform your speech on the date it is due, it will result in a zero. If there are emergency circumstances, you will need to contact me as soon as possible and provide documentation. I realize people get sick, **please** email me and let me know if you are unable to do your speech and why. At that time, I will decide as to whether you will be allowed to make-up the speech.

Course Policies

- ❖ Stay muted: Keep yourself muted on Zoom unless you are asked a question or have a question.
- ❖ Be courteous and polite during class: Do not interrupt the instructor's lecture unless you have a question.
- ❖ Visual Aids: Nothing dangerous or illegal can be used for visual aids. This includes but is not limited to, alcohol, firearms, weapons, toxic chemicals, etc. Be mindful of your surroundings and the safety of others.
- ❖ Attire: Please dress appropriately for your speech and for presenting in front of an audience, even though it is on Zoom. I want to see that you know what appropriate attire is for a speaking situation. Generally, this is considered business casual.
- ❖ Speech Presentations: Always stand to present your speech. Act as if you are in front of an audience. Do not present outside or in a noisy area or in your car. Do not present your speech while you are at work. Make sure that the camera/microphone will pick up sound effectively.
- ❖ Audience members: Due to COVID-19 precautions, we are not requiring an audience to be physically present when you deliver your speeches. If, however, you live with someone who doesn't mind being your audience, that is fine. When presenting your speech during our Zoom class meetings, your classmates will be your audience.

Please, see the College Policies on the CANVAS Course page menu.

The College of Central Florida is committed to helping you succeed and achieve your academic, personal and career goals. There are a wide range of resources and support services available to you. When students are connected early to resources and support systems on campus they are more likely to stay in classes, perform better in those classes, and complete their path more quickly. One example is through an Early Support Program, where you may receive an email indicating your professor or advisor is reaching out directly to help connect you to support services. This may include connecting you to tutoring, financial support, psychological support services, and disability services just to name a few. Be aware, you can also reach out to these services on your own as well. Additionally, we offer disability services, a testing center, and many other resources which are all available to you. Please refer to the College Resources, Dates, and Policies document in your Canvas course to learn more about these supports.
