DUAL ENROLLMENT PROGRAM

Benefits

- The CF Dual Enrollment program provides college courses that meet high school graduation requirements and are transferable to universities.
- Dual Enrollment jumpstarts a student’s college career and it’s close to home.
- Tuition is free and college textbooks are provided at no cost to public school students in the CF Dual Enrollment program.
- Students are offered access to college resources, facilities and services, including tutoring. They can join clubs, participate in activities and get involved.

Criteria

Admission: (Submit all by deadline)

- Eligible students in grades 6–12 with at least 4 completed high school credits.
- Submission of an online CF Dual Enrollment application by the application deadline.
- Submission of acceptable, current scores on an approved placement exam (SAT, ACT, PERT).
- Submission of a current high school transcript with appropriate high school GPA.
- Passing scores on the Florida State-wide Assessment for reading and the End-of-Course (EOC) Assessment for algebra (public school students).

Registration:

- Appropriate paperwork from the high school (blue book form for public school, or registration form for private school and home schooled students) submitted at time of registration.

What are passing test scores?
