

Navigating the Airport

You will go through Immigration and Customs at the **first** airport you arrive at in the United States.

If you are stopping in another city in the United States (For example: San Francisco, Chicago or Miami) you will go through Immigration and Customs at that airport, and then take a connecting flight to Orlando. You will use the direction for “**Domestic Arrivals**”

If you take a direct flight from your home country to Orlando International Airport, you will go through Immigration and Customs in Orlando. Use the direction below for “**International Arrivals**”.

Domestic Arrivals

1. Exit your plane and take the train to the Main Terminal.
2. After exiting the train, follow signs to the baggage claim.
3. After exiting train, look for signs to find where your bag claim will be. The Airport has two sides: A and B.
4. The train will drop you off in the Main Terminal on Level 3. You will take an escalator or elevator down to Level 2 for baggage claim.
5. After collecting your baggage, proceed to the elevators for Side B of the airport.
6. Take elevator to Level 1 Ground Transportation.
7. Go to Station 14/15. This is where the shuttle van will be waiting to pick you up.

International Arrivals

1. Exit your plane and follow walking directions to Passport Control/Immigration and Customs.
2. Passport Control/Immigration and Customs will check your documents.
3. You will then pick up your baggage.
4. After picking up your baggage, you will proceed through Customs check.
5. Follow signs and take the train to the Main Terminal.
6. The train will drop you off in the Main Terminal on Level 3.
7. After exiting train, you will walk towards the “B Side” of the airport and go to the elevators.
8. Take the elevators to “Level 1 Ground Transportation.”
9. Go to Parking Station 14/15. This is where the shuttle van will be waiting to pick you up.
