

Associate in Science Degree Pathway
Pathway # 2233 Health Information Technology

Fall 20

DATE: _____ **ID #:** _____ **NAME:** _____

Suggested Pathway to Graduation – All students will be assigned a first year success specialist upon entry to the College of Central Florida. StartSmart requires you to communicate with your first year success specialist five times during the first year. You will develop a personalized, suggested schedule to complete your course requirements. Once you have completed your first year (24 credits) you will be assigned a pathway advisor who will remain with you until graduation. Shown below is an example of a full time schedule for this program. Courses are listed in the order they should be taken whether for a full time or part time schedule. **Program curriculum may periodically change in order to provide students with the most current skills and knowledge for their chosen career path. Please meet with your program advisor to ensure that you are on track to achieve your goals.**

S= State, I = Institution, PC = Program Core, E = Pathway Elective, FL = Foreign Language, CI = Civics Initiative, CC = Computer Competence ** = Gordon Rule # = C or Better required ^^ = Certificate courses embedded
