

## Applied Technology Diploma

Academic Pathway #5510 Dental Assisting

### Suggested Pathway to Graduation

Shown here is an **example** of a full time Academic Pathway to fulfill your diploma requirements. This is the recommended sequence of courses whether a full time or part time schedule. Consult with your advisor to develop a personalized schedule to complete your course requirements. If you change your goals or program, you will need to develop a new pathway with your advisor.

***This recommended plan is not a binding agreement of any kind between the College of Central Florida and the student, but merely represents a potential curriculum which may be altered as appropriate to meet the student's academic objectives. Course availability is subject to change and all courses are not available every semester. Students should inquire each semester with their Advisor before registering to determine current requirements and possible changes to the suggested curriculum.***

**This Plan** - This academic pathway is designed to help you earn an Applied Technology Diploma. The courses within the pathway satisfy the program requirements in your chosen field.

**Academic Advising** - You can find your assigned advisor and schedule an appointment with them through the link on your MyCF page. You will **develop a personalized schedule** to meet your goals and complete your course requirements.

**Dental Assisting A.T.D.** - This is a limited access program which articulates into the Associate in Science degree for Dental Assisting Technology and Management. Completion of this program does not require General Education coursework. The Dental Assisting program is designed to train individuals to perform as efficient dental professionals in a dental health environment.
