								Consider continuing with an AS Degree of Computer Information Technology or another AS or AA degree
								Visit Career Source or Job Placement Center
								GRADUATE

Inquire about scholarships and prereq loans.

Category Legend

S = State	CI = Civics Initiative
I = Institution	CC = Computer Competence
FL = Foreign Language	E = Pathway Elective
** = Gordon Rule	+ = Prerequisite(s) required
# = C or Better required	^^ = Certificate courses embedded

This recommended plan is not a binding agreement of any kind between the College of Central Florida and the student, but merely represents a potential curriculum which may be altered as appropriate to meet the student's academic objectives. Course availability is subject to change and all courses are not available every semester. Students should inquire each semester with their Advisor before registering to determine current requirements and possible changes to the suggested curriculum.

This Plan - This academic pathway is designed to help you earn a College Credit Certificate. The courses within the pathway satisfy the program requirements in your chosen field.

Academic Advising - You can find your assigned advisor and schedule an appointment with them through the link on your MyCF page. You will **develop a personalized schedule** to meet your goals and complete your course requirements.

College Credit Certificate - A credit certificate is a program of study of less than sixty credits of college-level technical courses that prepares students with the opportunity for immediate employment in a specific occupational field. It generally does not require the completion of general education courses.
