Tim Ryan

HEAD COACH, MEN'S BASKETBALL

This is Tim Ryan's 13th season as the College of Central Florida's Men's Basketball coach. He led the Patriots to the program's first-ever NJCAA National Basketball Championship in 2013. Coach Ryan has the longest streak of consecutive appearances in the FCSAA State Tournament with 11 appearances. Over the past 12 seasons, he has produced seven All-Americans, more than any other junior college in the country.

This past season, Ryan led the Patriots to a runner-up finish in the Mid-Florida Conference and the program's 11th consecutive FCSAA state tournament appearance. The team was a Florida top five finisher in points per game.

In 2013, Ryan was an on-the-court coach for the USA Basketball 19U team in Colorado Springs at the Olympic Training Facility. The 19U team went on to win gold in Prague.

A former player at New York City's Power Memorial Academy and Wilkes College in Wilkes-Barre, Pennsylvania, Ryan's coaching career began in 1993 at Clearwater Central Catholic High School, where he spent four seasons coaching

freshmen to varsity teams. He was named head coach at St. Petersburg Catholic High in 1997. He led the program to its first two Pinellas County Private School Tournament championships and the school's second and third appearances in the regional playoffs.

Ryan enjoyed similar results upon his move to the college ranks. He spent three successful seasons as associate head coach at Hillsborough Community College in Tampa. There he helped lead the Hawks to an average of 20 wins per season, two state tournament appearances, and a Suncoast Conference.

Coach Ryan was also heavily involved in AAU with successful teams for both girls and boys. He also coached at the prestigious Five-Star Basketball Camp. Ryan's work at CF extends beyond the basketball team as he is the coordinator of CF's intramural sports program and runs the popular CAMP PATRIOT basketball camp for local youth annually in December and the summer months.

Ryan holds a master's degree in psychology from National-Louis University. He and his wife, JoAnne, have four children, Tim, Nicole, Veronica and Tommy.

Jake Zehnder

TEAM MANAGER, MEN'S BASKETBALL

Jack Zehnder enters his second year on the College of Central Florida men's basketball staff, this year as the team's manager. A native of St. Cloud, Fla., Zehnder played basketball at Harmony High School.

Before arriving at CF, Zehnder served as the head coach of the freshman squad and assistant coach of the varsity team at The Rock School in Gainesville, Fla. from 2012-2014. His coaching career also includes a stint as an assistant on Jeff Myers' coaching staff at P.K. Yonge during the 2011-2012 season.

While at The Rock School, Zehnder's duties included planning and executing practices and games for the freshman team. His role on the varsity staff included helping plan practices, develop the team's guards during practices, as well as conduct individual workouts for players. Zehnder was also responsible for tracking statistics for in-game play. Zehnder coached a number of accomplished players while at The Rock, including Joel Embiid, former No. 4 overall pick in the 2014 NBA

Draft, and Mitchell Wilbekin, a 26-game starter as a freshman at Wake Forest University.

During the spring and summer months, Zehnder coached youth basketball for the Gainesville Kings organization from 2011-2014. His focus was not only on skill development, but centered around fostering a competitive spirit while promoting positive sportsmanship. Proudly, his U4-U6 teams won a number of tournaments including the well-known Disney's Easter Classic.

Jeff Lorenzo

VOLUNTEER ASSISTANT

Jeff Lorenzo enters his second year as a volunteer assistant for the CF men's basketball program. From 2001-2006, Lorenzo served as lead assistant for women's basketball at the University of the Sciences (Pa.). While there, he also spent time organizing the Northeast Region all-star game from 2001-2005. Lorenzo, a graduate of Rowan University, has also served as an assistant coach at several high schools in New Jersey, as well as AAU programs.

Ryan Jackson

VOLUNTEER STUDENT ASSISTANT

Ryan Jackson begins his first year as a volunteer student assistant for the CF men's basketball program. The Ocala native recently graduated from Trinity Catholic High School where he was a four-year letterman for the basketball team. Jackson was a member of the National Honor Society and is currently pursuing a career in Business Management at CF.

Ryan Inducted into FCSAA Men's Basketball Hall of Fame

During his time as the head coach at the College of Central Florida, Tim Ryan has taken the program to great heights.

For his efforts, Ryan, who led the Patriots to the NJCAA National Championship last season and to the FCSAA State Tournament on nine straight occasions, was inducted into the FCSAA Men's Basketball Hall of Fame on March 8 during halftime of the NJCAA Region VIII/FCSAA Men's State Championship Game held at the College of Central Florida.

Under Ryan, the Patriots have qualified for the state tournament 10 times in 11 seasons.

CF is 254-103 under Ryan, who became the first coach in Mid-Florida Conference history to lead a program to three straight conference titles.

He also earned state and national coach of the year honors in 2013.

"It's certainly a great honor. You don't go into coaching thinking you're going to go into the hall of fame," Ryan said. "It's something I never shot for, but as the years went on and my numbers got better, it was something that I thought could happen. I just think how fortunate I have been to be in a situation like this and follow former CF coach Gene

Smithson. He did a great job with this program; I've just keep building it."

Ryan credits CF Athletic Director Bob Zelinski, former CF President Charles Dassance and current CF President Dr. Jim Henningsen with helping him reach the top.

"They have put me in the situation for this to happen and being voted into the hall of fame ranks up there with the greatest achievements I've had in my career," he said.

When Ryan accepted his current position more than 11 years ago, he said he had to stop and take it all in.

"When I got the job, I left Ocala to see my family," said Ryan, who commuted from Pinellas County to Ocala four days per week for his first five years as head coach at CF. "I stopped at the I-75 rest area south of State Road 200, called my wife and said, 'I can't believe they are going to pay me to coach full-time,' because I would have done it for nothing."

Ryan joins Dr. Bill Champion (1994), Smithson (1998), Simon Johnson (2008/Hampton College), and Dr. Jim Harvey (2013), as members of the CF athletic program to receive

state hall of fame honors in men's basketball.

Zelinski said Ryan's induction into the Hall of Fame was well-deserved.

"His record of achievement with conference titles, state tournament appearances and the national championship, speaks for itself," said Zelinski. "Tim's commitment to FCSAA basketball and his leadership throughout the state have been outstanding and this induction is recognition of his work and success."

Joining Ryan in the 2014 hall of fame class for men's basketball is current St. Petersburg coach Earnest Crumbley, former Miami Dade athletic director Jim Cox and Chipola's Alice Pendergrass.

Crumbley has the most wins among active men's coaches in the state at 289 and led SPC to the state title in 2002, while Cox was the helm of the MDC program and now runs the scorer's table for the NBA's Miami Heat.

Pendergrass was a longtime contributor to the state tournament, which had been held in Chipola since 1996.

You are appreciated!

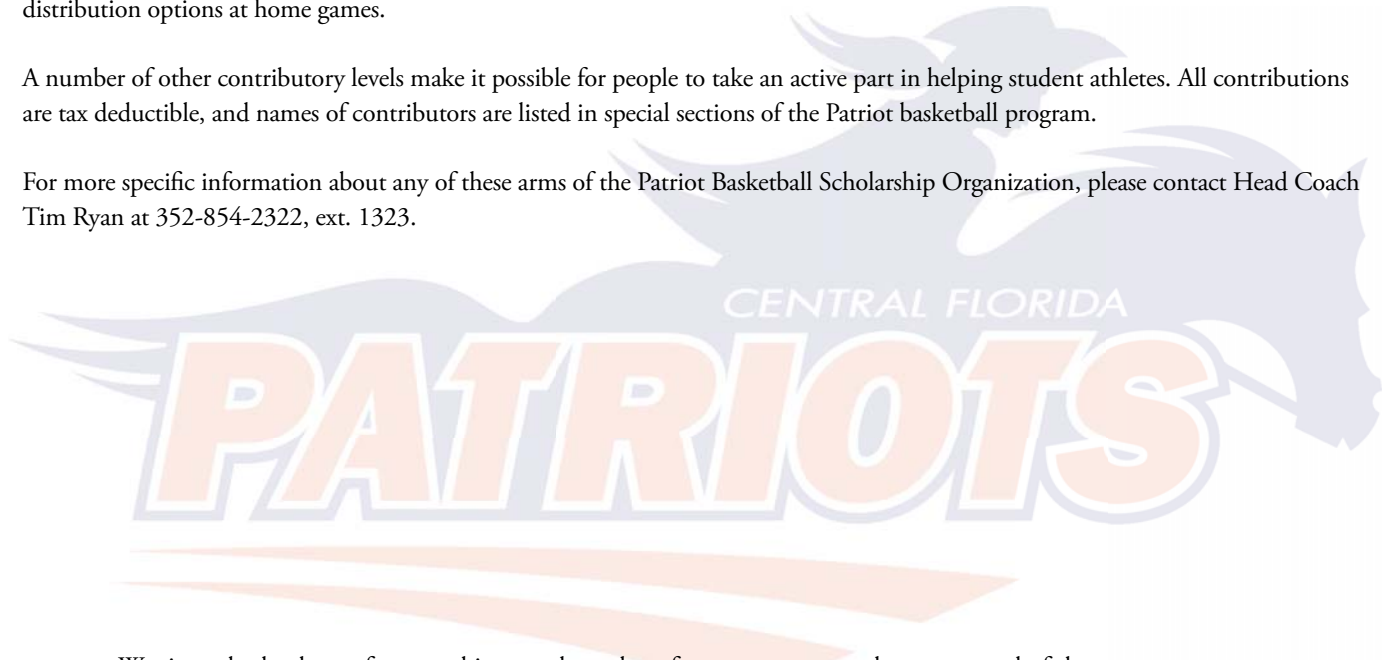

The Patriot Basketball Scholarship Organization

The Patriot Basketball Scholarship Organization assists in subsidizing full athletic scholarships for CF student basketball players, with the specific goal to construct a nationally prominent academic basketball program for CF and Marion, Citrus and Levy counties.

One arm of the PBSO is the Meal Sponsorship Club, in which area merchants may choose among three promotional packages during the fall and spring academic semesters, ranging from one or two meals a day to a weekend package for student-athletes. Benefits to the restaurateur include season tickets to Patriot games, advertisement in the program, a corporate sign in the Gymnasium, and coupon distribution options at home games.

A number of other contributory levels make it possible for people to take an active part in helping student athletes. All contributions are tax deductible, and names of contributors are listed in special sections of the Patriot basketball program.

For more specific information about any of these arms of the Patriot Basketball Scholarship Organization, please contact Head Coach Tim Ryan at 352-854-2322, ext. 1323.

We sincerely thank you for everything you have done for our program and we are proud of the way Coach Tim Ryan has continued the tradition of making College of Central Florida men's basketball a great program. I also urge you to get involved in the Patriot Basketball Scholarship Organization. Our community support is vital for success. Our PSBO Board of Directors is comprised of local businesses and we would love to include you in our endeavors.

Thank you,

Tommy Jones

HEAD COACH, WOMEN'S BASKETBALL

This is Tommy Jones' third season as the head women's basketball coach at the College of Central Florida. In just two short years, he has revitalized the Lady Patriots basketball program.

Last season, Jones led the team to its first Mid-Florida Conference title in more than four years and broke into the NJCAA national poll for the first time in recent memory. He also led the Lady Patriots to their first FCSAA State Basketball Tournament appearance in more than six years, falling to eventual NJCAA National Champions Chipola in the semifinals. Jones developed newcomer Thais Oliveira into one of the top shot blockers in the country, finishing Top 10 in NJCAA and No. 2 in the state.

A graduate from the University of Florida, Jones brings more than 25 years of experience to the College of Central Florida, most recently as the women's assistant basketball coach at the University of Tampa. While there, the Spartans rose to a top 10 national ranking.

Prior to UT, Jones was the head women's basketball coach at Mid-Florida Conference opponent Hillsborough Community College from 2008-2011. He led the

Hawks to a 67-42 record and consecutive trips to the state tournament. In his second season, they were co-conference champions and set the school record for most wins in a season with 23. The Hawks had won less than eight games in each of the previous six seasons before Jones took over. Under Jones' watch at HCC, 10 players moved on to play at the NCAA Division I and II levels. He also coached three conference players of the year and two McDonald's All-Americans.

Aside from his time coaching the women's programs at HCC and UT, Jones also held coaching jobs at HCC (men's assistant

basketball coach 2005-2007), The Cambridge School (assistant girls basketball coach, 2001-2005), Tampa Catholic High School (assistant girls basketball coach, 1999-2001), St. Peter Claver Catholic School (boys basketball coach, 1999-2000), and Tampa Prep (assistant boys basketball coach, 1991-1999).

Jones resides in Tampa with his wife, Kimberly Hannah-Jones, daughter, Kai, and son, Thomas.

2014-2015 Fast Facts

MEN'S BASKETBALL

The College of Central Florida men's basketball team earned its 10th straight trip to the FCSAA State Tournament. The run by the Patriots is the third longest since the tournament began in 1961. CF was able to accomplish this in a year where it didn't return a single starter for the first time since 2008. The Patriots continued to dominate rival Santa Fe. CF has won five straight games, and 21 of the last 23 games, against the Saints. Last season was the first that CF won four games against the Saints in a single season. The Patriots also knocked Santa Fe out in the finals of the Mid-Florida Conference tournament for the second straight year and third time since 2011.

WOMEN'S BASKETBALL

The College of Central Florida women's basketball team earned its first state tournament victory since 2011. CF shared Mid-Florida Conference Championship. The Patriots swept MFC rivals Hillsborough and Santa Fe for the first time in five years, while also winning all three matchups against two-time defending conference champion Florida State College at Jacksonville. Prior to the MFC play, CF knocked off then-No. 2 ranked Tallahassee Community College. The win over TCC was the highest ranked opponent defeated by the Patriots in 10 years. CF was led by Thais Oliveira, who became the first Patriot player to earn state and national player of the week honors since Sarah Hunter in 2013. Oliveira also became the first CF player to earn multiple player of the week honors since 2005-2006. CF's excellence last season enabled coach Tommy Jones to become the third coach in Florida history to lead multiple women's programs to the state tournament. Over the past seven years, the Lady Patriots have winning records against conference foes FSC-J (11-10) and Daytona State (12-10). CF is 11-11 vs. Daytona State and 8-7 in five years against Hillsborough, the conference's newest member.
