## *Mission Statement*

The CF Foundation is a private, nonprofit, tax exempt 501(c)(3) organization providing resources to help the college carry out its mission of providing quality educational services to residents in Marion, Citrus and Levy counties. The Foundation provides exceptional opportunities for leadership service, voluntary action, charitable giving and community involvement. ## Reaching higher for our students and communities

Dear Friends of the College and CF Alumni:

With more than 60 years serving the citizens, businesses and communities of Citrus, Levy and Marion counties, the College of Central Florida is ready to reach even higher for the next 60 years. I hope you are proud of all that the CF Foundation has accomplished — and will accomplish — because you are an integral part of our success and of CF's impact on the region.

In 2017, we reached some significant milestones. Total assets increased 7 percent and surpassed the \$100 million mark for the first time in the Foundation's history. We added to the 400+ scholarships and 79 chairs that help students pursue their dreams and for faculty to be even more innovative in the classroom. Overall, the total financial impact the Foundation provided to students, faculty and staff, and the college was more than \$5.9 million in 2017 — another major first!

The CF Foundation was established solidly by the great work of volunteers and staff throughout its history. We have reached these "firsts" thanks to their work and because of the support of loyal community leaders like you. As we look to the future, we will continue to build on our history and reach higher for the betterment of our community.

If we can be of assistance, please contact us. The Foundation team is ready to serve you as we all strive to reach ever higher.

Sincerely,

Christopher R. Knife  
Executive Director

## Endowed Scholarships

*Endowed scholarships provide students with resources for tuition, fees and oftentimes can also be used toward books and housing. Foundation scholarships are established by donors and can be named in memory or in honor of the donor, a loved-on, or an organization. An endowed scholarship is a lasting way to perpetuate the legacy of those who believe in giving others the gift of education. Students apply for Foundation scholarships using the online scholarship application form found on CF's Financial Aid website.*
