COLLEGE OF CENTRAL FLORIDA

JOB DESCRIPTION

JOB TITLE: TRADES SPECIALIST - Electrician
PAY GRADE: C-8
OVERTIME STATUS: NON-EXEMPT

MAJOR RESPONSIBILITY:

This is skilled work in the installation, maintenance, and repair of College electrical systems and their related components. Work is in accordance with the standard practices of the electrical trade. Position may be assigned to perform general facility maintenance work independently when the nature of the work demonstrates minimal need for supervision, or incumbent has acquired the necessary experience and expertise to perform the work.

At the College of Central Florida, our vision is “To be the first choice for quality higher education in our community.” We aim to accomplish this by providing a caring and exceptional learning environment that fosters the success of our students and community. Candidates considering becoming part of the CF family must be able to embrace and model this philosophy in their day-to-day responsibilities and demonstrate our standards: professional, responsive, informative, dependable and engaged.

PREREQUISITES FOR POSITION (Qualification Standards):

1. Education or training: High school diploma or equivalent required. A comparable amount of training may be substituted for the minimum qualifications.

2. Years of experience in field: A minimum of four (4) years full-time diversified experience in the electrical trade required. Valid Florida driver’s license required.

3. Special skills or abilities related to position: Knowledge of the practices, methods, materials and tools commonly utilized in building construction, carpentry, and finish carpentry. Knowledge of the occupational hazards and safety precautions of the work. Ability to read, interpret and work from blueprints, specifications and operating manuals. Ability to maintain records of work performed. Skills in the repair and maintenance of educational buildings, facilities, and other task needed in the operation of a college campus. Not limited to carpentry, drywall, masonry construction, demolition, renovations, and remodeling of college facilities. Positive human relation skills, with the ability to establish and maintain a good working relationship with college wide departments and employees. Ability to communicate effectively both in writing and orally.
ESSENTIAL JOB FUNCTIONS:

1. Considerable knowledge of trade tools and of occupational hazards, safety precautions, local codes to the trade are essential.
2. Complete work request as assigned by plant operation managers for college wide maintenance, renovations, and remodeling.
3. Work with electrical, HVAC, plumbing, grounds, locksmith, signage, and special event staff as needed to maintain college facilities and college operations.
4. Ability to plan, assign, review, supervise, and inspect the work of others, schedule facilities and staff, and coordinate work with other trades.
5. Ability to read, write and understand oral and written instructions.
6. Ability to follow instructions relating to work assignments that may be oral or written and may be accompanied by sketches or blueprints.
7. Ability to use electronic mail, web based trouble report systems, PDA based C.M.M.S software.
8. Ability to work and communicate in a multi-ethnic/multi-cultural environment, travel in county and be willing and able to work any shift, weekends, and holidays, perform on-call and respond to after-hour emergencies.
9. Work as requested in the event of an emergency such as hurricane, fire, violence / terrorism, or other emergency crisis.
10. Work a flex schedule, including weekends as required to maintain campus equipment and systems to maintain college operations.
11. Perform related work as assigned by supervisor, including duties of a Trades worker of a lower level.

(These essential job functions are not to be construed as a complete statement of all duties performed. Employees will be required to perform other job related marginal duties as required.)

ESSENTIAL PHYSICAL SKILLS:
