CHM2211 (Offered only in the Spring)

Science Path
MAC1105
PHY1053C (Offered only in the Fall)
PHY1054C (Offered only in the Spring)

Foreign Language Requirement
Florida Statute 1007.25 requires demonstration of foreign language competency for Associates in Arts degree seeking students. Foreign language competency must be demonstrated by one of the following: • Two sequential courses in college foreign language • Two sequential courses in high school foreign language • Satisfactory completion of a proficiency foreign language exam • Evaluated transcript indicating non-English high school degree has been earned from an institution where the primary language of instruction is something other than English. When there is a grade, a grade of “D” or better is required. Prerequisite grades requirements for advancement at CF must be achieved before advancing to the next level.
