Attendance is mandatory!

THIS IS THE WAY!

The Online Classes will be at your own pace and testing will occur when you are ready. Please do not rush through this. Take your time to learn the material. I will have live zoom session which you will be given an advanced notice to. These Zooms are not required as all the material will be lined out for you in advance.

THIS IS THE WAY!

There will be an initial Meet and Greet on Monday at 5pm through ZOOM. Look for the announcement.

FANS

IF you have a fan Text me please. If you do not know what that is then do not worry about it. If you cannot text me send me an email.

ZOOM's

I will use the zoom function for additional office hours in conjunction with my required in person office hours. These times will be posted on the end of this syllabus and in the door schedule folder. These are not required to attend but are an excellent tool for you. The Zoom Times are the times will be posted in announcements as they occur. You will also find Zoom lectures posted that are of the material that we have covered already. Use them to hear the lecture again.

Lecture

I will work directly from your textbook and in order. Pay attention to the sections I cover during the lecture. Please watch the lecture Zooms to help you learn this material.

THIS IS THE WAY!

I CANNOT STRESS THIS ENOUGH!! If you are not keeping up with the material and try and cram it in the last few days, you will FAIL! Trust me PLEASE! There is an abundant amount of material to get through.

PROCESS: Listen to the lecture- read the appropriate chapters and sections in the book (take notes, write down Questions) Watch the lecture again then attend zoom meetings for additional clarification.

All test times for quizzes tests and the final will be opened for you. There are no pop quizzes, test or any other stuff. ALL MATERIAL TESTED ON COMES FROM YOUR TEXTBOOK!

My office is upstairs in building 2 in the faculty offices. Posted outside my door you will find my schedule and a board to leave me a message if needed. There is a door schedule at the end of the Syllabus. The door schedule is also in modules in Canvas.

YOU will be the one who must ensure you learn the chapter material. Please make sure that you are learning the material as we proceed through each of the chapters.

Course Description:

This is an anatomy and physiology lecture/laboratory course that may be used to meet general education science requirements. Emphasis will be placed on the structure of the human body, the function of its many different systems, and the diseases associated with these systems. Check your particular program of study to verify that this course meets needed requirements.

Fall Session

Attendance is a must!

Actually working the chapter material is a must.

Due to unforeseen circumstances, it may be necessary for the course assignment schedule to be altered. The instructor will always strive to be fair about any changes.

COVID has thrown us a curve ball! **This changes nothing on what you are required to learn!**

Testing Dates will be up to you. If you do not know when a test is look in announcements. This should also cover material of the test.

At this time Honor Lock testing is Not scheduled.

IF YOU MISS A TEST YOU WILL RECEIVE A ZERO! These are HARD DEADLINES and will be adhered to without excuse or failure. If you are having computer problems or Internet issues Handle it!

*******Your Internet is your responsibility Not mine. You must have a PC or laptop to take quizzes or tests. Phones will not work!! While taking tests or quizzes you cannot go back to previous answers. It is a linear forward only test or quiz. ALL TEST or QUIZZES are your responsibility to complete. Once a test or quiz is complete that is your score. *******

ANY AND ALL INFORMATION IN THIS SYLLABUS IS SUBJECT TO CHANGE AT THE PROFESSORS DISCRETION. All reasonable efforts will be made in an attempt to be fair.

Test 1
Chapters 1,2,3
Test 2
Chapter 4,5
Test 3
Chapters 6,7,8,9
Test 4
Chapters 10,11,12
Final

Finals are on the day prescribed by the college.

Absences may adversely affect your performance and result in lost points due to missed homework deadlines and quizzes.

NO makeup work will be allowed. NO MAKE UP TESTS.

The instructor does not give you a grade. He/she awards you the grade you earn.

Discussion of your grade will only take place in the instructor's office or online.

Tests will be graded and returned to the student.

It is your responsibility to follow your Grade on Canvas. Should you feel that the final grade assigned to you is in error, you will need to bring in these assignments so we can check to see if an error was made when recording the scores or adding up points. Without this documentation, the recorded grades will be assumed to be correct.

Your final grade will be calculated based on:

65% Lecture tests + 25% Lecture Final + 10%quizzes

GRADING

A	90.0-100
B+	87.0-89.9
B	80.0-86.9
C+	77.0-79.9
C	70.0-76.9
D	60.0-69.9
F	0-59.9

Late/missing assignments will NOT be accepted.

Attendance is a must!

Due to unforeseen circumstances, it may be necessary for the course assignment schedule to be altered.

The instructor will always strive to be fair about any changes.

Please do not miss scheduled lecture classes.

Attendance:

Attendance is of **utmost importance** in this and any other science course. Students are strongly encouraged to attend all classes. From past experience, there seems to be a high correlation between student's class attendance and his/her performance on tests. Documentation of student absences will begin the first day of class a student is registered.

Policies and Announcements:

- Students who decide to drop the class must see me or go to Enrollment Services to make arrangements. **I am not responsible for doing this for you. Do not just stop attending class.** A student will not be given an "I" (Incomplete) or "W" (Withdraw) to avoid receiving an "F" in the class.
- Students are NOT allowed to bring children to class or study areas.
- No food or drink is allowed in the classroom.
- Cell phones and/or pagers should be turned off or set on vibration during class. Please do not make calls or have friends/family call you (except in emergency). All conversations should be conducted in the hallway.
- Students must furnish their own Scantron sheets (and #2 pencils) for tests.

College Policies (As of Summer 2015)

Academic Integrity- Cheating and/or plagiarism will not be tolerated and may result in an "FF" for the course as well as disciplinary action under the Code of Student Conduct. A student will be referred to an Academic Integrity Seminar. There will be a charge for this two-hour seminar, and attendance is required (see Student Handbook). Failure to attend the Academic Seminar may result in the assignment of a final course grade of "FF", denoting course failure due to a violation of the college's Academic Integrity policy.

Access Services for Students with Disabilities- If you have a disability, serious medical condition, learning or psychological disorder and want to request accommodations, it is your responsibility to register with the Office of Access Services and to provide verifiable documentation to Access Services as soon as possible. If eligible, Access Services will provide you with a notification approved accommodations to give to your instructors at the beginning of the semester. Faculty will comply with the accommodations approved by the Access Services. For information visit the Access Services webpage at <http://www.cf.edu/departments/sa/ss/>, contact access@cf.edu or call 352-854-2322, ext. 1580, for an appointment.

College of Central Florida does not discriminate against any person on the basis of race, color, ethnicity, religion, gender, age, marital status, national origin, genetic information or disability status in its programs, activities and employment. For inquiries regarding nondiscrimination policies contact Carol W. Smith, Equality Officer, Ocala Campus, Ewers Century Center, Room 201C. 3001 S.W. College Road, 352-854-2322 ext. 1437, or smithc@cf.edu

Classroom Decorum- Disruptive behavior will not be tolerated. Disruptive students will be asked to leave the classroom. Continuous disruptive behavior will result in withdraw from the course and disciplinary action under the Code of Student Conduct (see Student Handbook).

Withdraw- If you want to withdraw from this class, you must fill out the necessary forms and have them signed by the appropriate parties. If you just stop coming to class after the posted drop date, you may receive the grade of “F”.

The college reserves the right to evaluate individual cases of non-attendance.

1. Students should be alerted to the fact that withdraws do not count in the CF GPA, but may not be viewed favorably at the university level or for financial aid.
2. Every student deserves the right to fair and equal treatment in the classroom. Every student should read and understand Title IX as it pertains to them and the governing body of the school. If any student feels they are being treated unfairly in ANY way please feel free to come see me during office hours.
