Paying For College

Your Guide to Financial Aid

You shouldn't have to worry about how you're going to pay for college.

At the College of Central Florida, we believe cost should not be a barrier to having your dream career.

Even though our tuition is among the lowest in the country, we know college is a big investment. We can help you make it affordable — with scholarships, grants, loans, payment plans and work-study employment.

Higher education at CF is a great deal.

When planning out how to pay for college, it's important to know how much it will cost. Fortunately, CF has you starting off right with tuition and fees that are among the lowest in the nation.

Your estimated cost will vary depending on degree and how many credit hours you take. Most students take 12-15 credit hours per semester.

Beyond tuition, you should also budget for academic materials like textbooks and supplies.

Estimated Tuition, Fees and Books

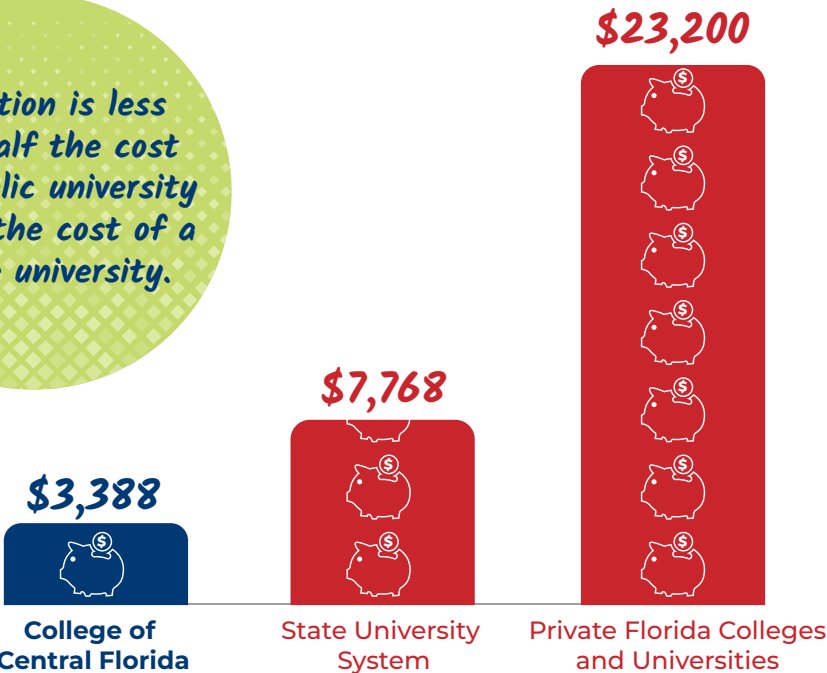

(30 credit hours)

\$3,388 + \$1,400 = \$4,788

in-state tuition books and supplies (additional fees may apply)

Even if your ultimate goal is to transfer to a university, you can save more than half the cost of tuition by attending CF for your first two years.

CF tuition is less than half the cost of a public university and 1/7 the cost of a private university.

Based on 30 credit hours. Source: CF Catalog, State University System Board of Governors, and U.S. Department of Education IPEDS Survey (through CollegeCalc). Tuition and fees subject to change.

Degree Type	Time to Complete	Cost per Credit Hour
College Credit Certificate	9+ Credits	\$112.92
Associate	60+ Credits (2 years)	\$112.92
Bachelor's	120+ Credits*	\$129.27

STUDENTS RECEIVE
FINANCIAL AID WHEN
BEGINNING COLLEGE

*CF also offers
all students a
payment plan to
pay tuition over
time.*

*The good news is most CF
students are eligible for
some kind of assistance!*

Most students receive one or more of these
common types of financial aid:

■ **Grants**

Grants do not have to be paid back and are
usually based on need. Examples include
federal Pell Grants and state grants.

■ **Scholarships**

Like grants, scholarships do not have to be
paid back and are often based on merit or
other criteria. Examples include Florida Bright
Futures and CF Foundation scholarships.

■ **Federal Work-Study**

Students who qualify may apply to work on-
campus jobs that offer flexible schedules to
accommodate classes.

■ **Federal Direct Student Loans**

Loans have to be paid back but help students
cover the remaining costs for college after
grants and scholarships.

■ **Other Financial Assistance**

Some individuals may be eligible for other
types of financial support:

- Veterans education benefits such as
the GI Bill®
- Florida Prepaid College Plan
- Tuition reimbursement offered by the
student's employer

scholarship. I hope to take
many education classes at CF
to further my knowledge in
teaching, so I am grateful for this
scholarship that will help cover
those expenses."

Getting Started

The first step for nearly all financial aid is completing the FAFSA.

FAFSA, the Free Application for Federal Student Aid, is online at **StudentAid.gov**. The U.S. government uses this universal form to calculate financial need.

Complete the FAFSA prior to admission of your first term in college. After that first term, complete the FAFSA on or just after **Oct. 1** each year to renew it for the following academic year. High school students complete the FAFSA after Oct. 1 of their senior year.

If you are a dependent student, you will need both you and your parents' tax information, which you can easily supply through the IRS data retrieval tool within the FAFSA. Some applicants may be selected to provide additional, required information to verify their application.

CF's FAFSA
school code is
001471.

Your Next Steps

- ☒ Start learning about financial aid.
- ☐ Apply for admission to CF at [CF.edu/Apply](https://cf.edu/Apply).
- ☐ If you are applying for federal student aid for the first time, create an account at StudentAid.gov. Parents/guardians of dependent students will also need an account.
- ☐ Complete the FAFSA every year at StudentAid.gov and enter the CF school code of 001471.
- ☐ Fill out the CF scholarship application through the Financial Aid tab in the MyCF student portal. You will need to reapply every year.
- ☐ Connect with CF Career Services to find exclusive job opportunities. Find more info at [CF.edu/CareerServices](https://cf.edu/CareerServices).

Using Your Aid

You'll get a personal financial aid offer.

After your application is processed, the CF Financial Aid Office will contact you with a package that may include grants, scholarships, Federal Work-Study and/or Federal Direct Loans.

Your aid notification will detail the types and amounts of aid offered, specific program information and conditions, and your responsibilities.

What does financial aid pay for?

If there are funds left after paying for tuition, financial aid may be used for:

- Textbooks and learning materials
- Supplies like notebooks, pens, calculator, laptop, etc.
- Additional expenses related to education, such as housing or transportation

You can use your financial aid to pay for books and housing, too!

Keeping Your Aid

Know the requirements.

To keep receiving aid, you must meet federal financial aid requirements each semester:

- ✓ Maintain at least a 2.0 grade point average
- ✓ Successfully complete 67% of all credit hours attempted
- ✓ Complete program of study within 150% of the allocated time period

If you do not meet requirements, you may have to return the financial aid you have received for that semester or lose eligibility in future semesters.

Concerned about meeting requirements?

CF offers free student support services, including tutoring and counseling, to help you stay successful. Ask your academic advisor for details.

Most scholarships require enrollment in a minimum of 6 credit hours with at least a 2.5 GPA.
