I understand that if I register for a course that is not required for my degree or certificate I will be charged the out-of-state tuition rate for that course.

Initial

I understand that this waiver is applicable for 110% of the required credit hours of the degree or certificate program for which I am enrolled and once I have met the 110% limit I will be charged the out of state tuition rate if I have not established Florida Residency for Tuition Purposes.

Initial

I understand I will be charged full cost of instruction for a third-attempt in a course.
