

**CURRICULAR PRACTICAL TRAINING
EMPLOYMENT AUTHORIZATION FORM**

Curricular Practical Training (CPT) is defined as employment that is an integral part of an established curriculum, such as an internship, cooperative education or practicum offered by sponsoring employers through cooperative agreements with CF. CPT employment may be paid or unpaid. Any full CPT authorization will be deducted from future Optional Practical Training (OPT) employment time. Visit our [online employment page](#) for details.

To be eligible for CPT, you must meet the following requirements:

1. You must have already complete one full academic year (9 months) of enrollment at CF.
2. The employment must be an integral part of your degree program. The employment, whether paid or unpaid, must be a registered class on your schedule or satisfy a graduation requirement.
