

March 31-May 6, Webber Gallery

All applications and artwork due by 4 p.m. On Tuesday, March 25 in the Webber Gallery.

This exhibit will feature the best work of CF visual arts and digital media students. This is a judged and juried exhibition, so students are encouraged to enter their strongest work. There will be ribbons awarded for best of show, first, second, and third place as well as honorable mentions and CF purchase awards.

Exhibit Requirements:

- 1) The student must have been enrolled in a visual arts and/or digital media class in either summer, fall or spring of 2024-2025. Work produced in CF courses is acceptable, as is work produced out of class. Work produced in non-CF classes is not acceptable.
- 2) Each student may enter an unlimited number of works. Photocopy additional entry forms and labels as necessary.
- 3) All entries must have a sale price and/or insurance value. If you do not wish to sell the work, then record as not for sale (NFS); however, you must still include an insurance value. Ask your instructor if you are uncertain about how to determine the insurance value/price.
- 4) All artwork must be properly framed or gallery wrapped and wired for hanging (no saw-tooth hangers accepted). Sculpture must be properly weighted. Arrangements should be made with gallery staff for work that requires special installation, such as mobile, kinetic or digital media (call 352-873-5809).
