

## Associate in Arts Degree Transfer Pathway

Academic Pathway # 1074      Physical Therapist Assistant - Health Sciences

### Suggested Pathway to Graduation

Shown here is an example of a full time Academic Pathway to fulfill your AA requirements. This is the recommended sequence of courses whether a full time or part time schedule. Consult with your First Year Success Specialist and refer to your degree audit regarding your specific requirements. If you change your goals or program, you will need to develop a new pathway.

Category	Order	Course #	Course Title	Credits
<b>Fall</b>				
CC/I	1	SLS1122	First Year Seminar	3
S	2	ENC1101	Freshman Composition I	3
S	3	PSY2012	General Psychology	3
S	4	BSC2085	Human Anatomy and Physiology I	3
E	5	BSC2085L	Human Anatomy and Physiology I Lab	1
S	6	STA2023	Elementary Statistics	3
<b>Spring</b>				
I	7	DEP2004	Human Growth and Development	3
S	8	HUM1020	Introduction to the Humanities	3
E	9	HLP1081	Personal Wellness Appraisal and Improvement	3
I	10	BSC2086	Human Anatomy and Physiology II	3
E	11	BSC2086L	Human Anatomy and Physiology II Lab	1
E	12	PHT1000	Introduction to Physical Therapy	2
<b>Summer</b>				
E	13	PHT2342	Medical Terminology for the Physical Therapist Assistant	2
I	14	ENC1102	Freshman Composition II	3
E	15	CGS1100	Microcomputer Applications	3
<b>Fall</b>

S = State  
 I = Institution  
 FL = Foreign Language  
 \*\* = Gordon Rule  
 # = C or Better required  
 CI = Civics Initiative  
 CC = Computer Competence  
 E = Pathway Elective  
 + = Prerequisite(s) required  
 ^ = Certificate courses embedded

This document is an initiative of

Enhancing the First-Year Experience

Colleges or universities may require additional courses for acceptance in specific programs (verify with the transfer program of interest).

SLS1122 is Mandatory for First Time in College AA students and optional for other 1st semester students (per Advisor's discretion).

To meet the Civics Initiative, students must take either POS2041 or AMH2020 prior to graduation.

Inquire about scholarships and prereq loans.

**Academic Advising** - You can find your assigned advisor and schedule an appointment with them through the link on your MyCF page. All students will be assigned a first year success specialist upon entry to the College of Central Florida. StartSmart requires you to communicate with your first year success specialist five times during the first year. You will develop a personalized, suggested schedule to meet your goals and complete your course requirements. Once you have completed your first year (24 credits) you will be assigned a pathway advisor who will remain with you until graduation.

**Associate in Arts Degree** - Associate in Arts programs typically last 2 years in which the student will complete general education requirements and begin major coursework. It prepares students to transfer to a Bachelor's degree program upon completion. It is generally an intermediate step in higher education. Completing an AA can make students stronger applicants when transferring to a four year institution for upper division coursework.

**General Education Requirements** - The CF General Education Core consists of courses from the following disciplines: 9 credit hours in Communications, 6 credit hours in Humanities, 9 credit hours in Social Sciences, 6 credit hours in Mathematics, and 6 credit hours in Natural Science, for a total of 36 credit hours. These hours plus 24 credit hours of electives complete the 60 credit hours required for an Associate in Arts degree.

*This recommended plan is not a binding agreement of any kind between the College of Central Florida and the student, but merely represents a potential curriculum which may be altered as appropriate to meet the student's academic objectives. Course availability is subject to change and all courses are not available every semester. Students should inquire each semester with their First Year Success Specialist or Meta-Major Advisor before registering to determine current requirements and possible changes to the suggested curriculum.*
