

Associate in Science Degree Pathway

Academic Pathwa **2295 Computer Information Technology**

Suggested Pathway to Graduation

Shown here is an example of a full time Academic Pathway to fulfill your AS requirements. This is the recommended sequence of courses whether a full time or part time schedule. Consult with your First Year Success Specialist and refer to your degree audit regarding your specific requirements. If you change your goals or program, you will need to develop a new pathway.

Category	Order	Course #	Course Title	Credits
Fall				
S	1	ENC1101	Freshman Composition Skills I	3
CC/I	2	CGS1100	Microcomputer Applications*	3
PC	3	CET1278	A+ Fundamentals	3
PC	4	CGS2557	Internet Technologies	3
S	5	MAC1105	College Algebra	3
Spring				
PC	6	CGS2103	Spreadsheet Applications	3
PC	7	CET2180	Practical PC Technician	3
S	8	PHI2010	Introduction to Philosophy	3
E	9	CET1171	Introduction to Computer Technology	3
PC	10	CIS2321	Introduction to Systems Analysis and Design	3
Summer				
PC	11	CGS2540	Database Management Systems	3
S	12	EVR1001	Introduction to Environmental Science	3
Fall				
S	13	ECO2013	Principles of Economics - Macro	3
E	14	COP1030	Fundamental Programming Concepts	3
PC	15	CTS2651	Router Fundamentals	3
PC	16	CTS2134	Networking Fundamentals	3
Spring				
PC	17	CTS2136	PC Desktop Support	3
PC	18	CTS2143	Server Fundamentals	3
PC	19	CTS2120	Security Fundamentals	3
PC	20	CGS1949	Co-Op Work Experience	3

Academic Advising - You can find your assigned advisor and schedule an appointment with them through the link on your MyCF page. All students will be assigned a first year success specialist upon entry to the College of Central Florida. StartSmart requires you to communicate with your first year success specialist five times during the first year. You will develop a personalized, suggested schedule to meet your goals and complete your course requirements. Once you have completed your first year (24 credits) you will be assigned a pathway advisor who will remain with you until graduation.

Associate in Science Degree - Associate in Science is a degree in the areas of science, technology, engineering and math (STEM) or in the area of career technical education. It prepares you for the workforce in a specific career field. Most programs are two years in length.

This recommended plan is not a binding agreement of any kind between the College of Central Florida and the student, but merely represents a potential curriculum which may be altered as appropriate to meet the student's academic objectives. Course availability is subject to change and all courses are not available every semester. Students should inquire each semester with their First Year Success Specialist or Meta-Major Advisor before registering to determine current requirements and possible changes to the suggested curriculum.
