## Appendix A Career Pathways Articulation Agreement Between The College of Central Florida and School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Accounting Applications program to transition into the College of Central Florida’s postsecondary programs listed below, the College of Central Florida agrees to award college credit to eligible Citrus County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

**Secondary Program**  
Accounting Applications

**Postsecondary Program**  
Accounting Technology, A.S.  
Business Administration, A.S.

**Citrus County**  
Citrus High School  
Crystal River High School  
Lecanto High School

**College**  
The College of Central Florida

### I. Articulated Courses and College Credit

The College of Central Florida agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

- A. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a “B” or better before assessment will be made to award the College of Central Florida credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
Digital Information Technology (8207310) Accounting Applications 1 (8203310) Accounting Applications 2 (8203320)	ACG 2021 Financial Accounting (3)	3

- B. *College Credit through Industry Certification:* Students who obtain the following industry certificate(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
QuickBooks Certified User (INTUT001)	ACG 2450 Integrated Accounting (3)	3

Representatives of the College of Central Florida’s Career and Technology Education programs will review, at least annually, the content of the high school curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

II. General Provisions

*Comprehensive College Examination and Industry Certification:* To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 80% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a grade of “S” and will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to The College of Central Florida until all required admissions criteria have been met.

### III. Sharing of Data

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.

## Appendix B Career Pathways Articulation Agreement Between The College of Central Florida and School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Administrative Office Specialist program to transition into the College of Central Florida’s postsecondary programs listed below, the College of Central Florida agrees to award college credit to eligible Citrus County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

**Secondary Program**  
Administrative Office Specialist

**Postsecondary Program**  
Office Administration – Legal Office Specialist, A.S.  
Office Administration- Medical Office Specialist, A.S.  
Office Administration- Office Management, A.S.

**Citrus County**

Representatives of the College of Central Florida’s Career and Technology Education programs will review, at least annually, the content of the high school curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

II. General Provisions

*Comprehensive College Examination and Industry Certification:* To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- D. Students who score a minimum of 80% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a grade

Edited 2/15/2018

of “S” and will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.

- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to The College of Central Florida until all required admissions criteria have been met.

### III. Sharing of Data

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.

## Appendix H Career Pathways Articulation Agreement Between The College of Central Florida and The School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Communications Technology program to transition into The College of Central Florida’s (CF) postsecondary programs listed below, CF agrees to award college credit to eligible Citrus County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

**Secondary Program**  
Communications Technology

**Postsecondary Program**  
A.S. Digital Media Technology  
Web Design Specialization

**Citrus County**  
Lecanto High School

**College**  
The College of Central Florida

### I. Articulated Courses and College Credit

CF agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

E. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a grade of “B” or better before assessment will be made to award the CF credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
8207310 Digital Information Technology 8601010 Communications Technology 1 8601020 Communications Technology 2 8601030 Communications Technology 3	DIG 2100 Web Design I	3

F. *College Credit through Industry Certification:* Students who obtain the following Industry Certification(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
ADOBE020 Adobe Illustrator ADOBE022 Adobe Photoshop ADOBE010 Adobe Dreamweaver	DIG 2000 Introduction to Digital Media <i>*Note student must have all three certifications listed in left column</i>	3

Representatives of CF’s Career and Technical Education (CTE) programs will review, at least annually, the content of the high school curriculum, as specified in this Agreement, to ensure standardization and attainment of goals.

### II. General Provisions

Edited 2/15/2018

*Comprehensive College Examination and Industry Certification:* To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent/guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of eighty percent (80%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of “S” which will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Citrus County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

### **III. Sharing of Data**

CF and The School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.

## Appendix I Career Pathways Articulation Agreement Between The College of Central Florida and School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Dental Aide program to transition into the College of Central Florida’s postsecondary programs listed below, the College of Central Florida agrees to award college credit to eligible Citrus County students according to the criteria delineated below. The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.

## Appendix P Career Pathways Articulation Agreement Between The College of Central Florida and School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Emergency Medical Responder program to transition into the College of Central Florida’s postsecondary programs listed below, the College of Central Florida agrees to award college credit to eligible Citrus County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

**Secondary Program**  
Emergency Medical Responder

**Postsecondary Program**  
Health Information Technology A.S  
Dental Assisting A.S./ Certificate  
Physical Therapy Assistant A.S.  
Nursing A.S.  
Emergency Medical Services A.S.

**Citrus County**  
Crystal River High School

**College**  
The College of Central Florida

### I. Articulated Courses and College Credit

The College of Central Florida agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

- A. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a “B” or better before assessment will be made to award The College of Central Florida credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
8417100 Health Science Anatomy and Physiology 8417110 Health Science Foundations 8417171 Emergency Medical Responder III	PHT 2432 Medical Terminology for the Physical Therapy Assistant (3) DEP2004 Human Growth & Development (3) HSC 2531 Medical Terminology (3) <i>*Please note students must complete PSY 2010 prior to HSC 2531 being awarded to students transcripts</i> BSC 1080 Basic Anatomy & Physiology (3) <i>*Please note BSC 1080 only applies to the Dental Assisting A.S.</i> HUN 1201 Human Nutrition (3) BSC 1005 Introduction to Biology (3) <i>*Please note BSC 1005 only applies to the Emergency Medical Services A.S.</i>	Up to 9

- B. *College Credit through Industry Certification:* Students who obtain the following industry certificate(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
NONE	NONE	0

Representatives of the College of Central Florida’s Career and Technology Education programs will review, at least annually, the content of the high school curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

II. General Provisions

*Comprehensive College Examination and Industry Certification:* To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 80% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a grade of “S” and will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to

The College of Central Florida until all required admissions criteria have been met.

- E. Students who have obtained their Certified Nursing Assistant (CNA) will be recognized for their accomplishment by receiving additional consideration when applying for the nursing program.

### III. Sharing of Data

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.

## Appendix Q

### Career Pathways Articulation Agreement Between The College of Central Florida and School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Medical Administrative program to transition into the College of Central Florida’s postsecondary programs listed below, the College of Central Florida agrees to award college credit to eligible Citrus County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

**Secondary Program**  
Medical Administrative Specialist

**Postsecondary Program**  
Office Administration – Medical Office Administration,  
A.S.

### I. Articulated Courses and College Credit

The College of Central Florida agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

- A. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a “B” or better before assessment will be made to award The College of Central Florida credit hours and/or admission points:

High School Courses	CF College Courses	Vocational Hours
Welding Technology Fundamentals 1 (9204410) Welding Technology Fundamentals 2 (9204420) Welding Technology Fundamentals 3 (9204430)	PMT 0930L Welding Skill Development Lab (2+2) PMT 0102 Introduction to Welding (4)	6

- B. *College Credit through Industry Certification:* Students who obtain the following industry certificate(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	Vocational Hours
Certified Welder (AWELD001)	PMT 0930L Welding Skill Development Lab (2+2) PMT 0102 Introduction to Welding (4)	8

Representatives of the College of Central Florida's Career and Technology Education programs will review, at least annually, the content of the high school curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

## II. General Provisions

*Comprehensive College Examination and Industry Certification:* To receive college credit, students must meet the following criteria:

- A. Have a minimum of a "B" average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 70% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a grade of "S" and will not factor into the student's CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to The College of Central Florida until all required admissions criteria have been met.

## III. Sharing of Data

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has

Edited 2/15/2018

a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.
