Appendix A
Career Pathways Articulation Agreement Between
The College of Central Florida
and School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Accounting Applications program to transition into the College of Central Florida’s postsecondary programs listed below, the College of Central Florida agrees to award college credit to eligible Citrus County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

Secondary Program
 Accounting Applications

Postsecondary Program
 Accounting Technology, A.S.
 Business Administration, A.S.

Citrus County
 Crystal River High School
 Lecanto High School

College
 The College of Central Florida

I. Articulated Courses and College Credit

The College of Central Florida agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

- A. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a “B” or better before assessment will be made to award the College of Central Florida credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
Digital Information Technology (8207310) Accounting Applications 1 (8203310) Accounting Applications 2 (8203320)	ACG 2021 Financial Accounting (3)	3

- B. *College Credit through Industry Certification:* Students who obtain the following industry certificate(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
QuickBooks Certified User (INTUT001)	ACG 2450 Integrated Accounting (3)	3

Representatives of the College of Central Florida’s Career and Technology Education programs will review, at least annually, the content of the high school curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 80% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a grade of “S” and will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to

The College of Central Florida until all required admissions criteria have been met.

III. Sharing of Data

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.

Appendix B Career Pathways Articulation Agreement Between The College of Central Florida and School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Administrative Office Specialist program to transition into the College of Central Florida’s postsecondary programs listed below, the College of Central Florida agrees to award college credit to eligible Citrus County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

B. *College Credit through Industry Certification:* Students who obtain the following industry certificate(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
NONE	NONE	0

Representatives of the College of Central Florida’s Career and Technology Education programs will review, at least annually, the content of the high school curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 80% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a

grade of “S” and will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.

- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to The College of Central Florida until all required admissions criteria have been met.
- E. Students who have obtained their Certified Nursing Assistant (CNA) will be recognized for their accomplishment by receiving additional consideration when applying for the nursing program.

III. Sharing of Data

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students

Appendix I Career Pathways Articulation Agreement Between The College of Central Florida and The School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Digital Design program to transition into The College of Central Florida’s (CF) postsecondary programs listed below, CF agrees to award college credit to eligible Citrus County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

I. Articulated Courses and College Credit

The College of Central Florida agrees to award college credit hours or admission points to the career certificate programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

C. *College Credit through Career Pathways College Credit Assessment:* The following career certificate course(s) must be maintained with a “B” or better before assessment will be made to award The College of Central Florida credit hours and/or admission points:

Career Certificate Courses	CF College Courses	College Credits
Industrial Machinery and Controls Technician (J100300)	ETI 1843 Motors and Controls (3) ETS 1542 Introduction to PLCs (3) EET 1084 Survey of Electronics (3)	3

- D. *College Credit through Industry Certification:* Students who obtain the following industry certificate(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
MSSCN 001 MSSC Certified Production Technician	<u>MSSC CPT Safety</u> ETI 1720C Industrial Safety (3) <u>MSSC CPT Quality</u> ETI 1117 Introduction to Quality Control (3) <u>MSSC CPT Manufacturing Processes & Production</u> ETI 1411 Manufacturing Processes I (3) <u>MSSC CPT Maintenance Awareness</u> ETI 1084 Survey of Electronics (3) <u>MSSC CPT Manufacturing Processes & Production</u> ETI 1511 Instrument Techniques and Measurement (3)	3 to 15

Representatives of the College of Central Florida’s Career and Technology Education programs will review, at least annually, the content of the program’s curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the career certificate course(s) designated in this document and have the recommendation of the career and technical program instructor and, if a secondary student, permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The CTE program instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The CTE program instructor and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 70% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a grade of “S” and will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to The College of Central Florida until all required admissions criteria have been met.

III. Sharing of Data

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.

Appendix X Career Pathways Articulation Agreement Between The College of Central Florida and School Board of Citrus County, Florida

In a continuing effort to provide opportunities for secondary school students in the Veterinary Assisting program to transition into the College of Central Florida’s postsecondary programs listed below, the College of Central Florida agrees to award college credit to eligible Citrus County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

Secondary Program
Veterinary Assisting

Postsecondary Program
Agribusiness Management A.S.

Citrus County
Crystal River High School

College
The College of Central Florida

I. Articulated Courses and College Credit

The College of Central Florida agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

C. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a “B” or better before assessment will be made to award The College of Central Florida credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
Digital Information Technology (8207310) Veterinary Assisting 1 (8111510) Veterinary Assisting 2 (8111540) Veterinary Assisting 3 (8111550)	OST 1100 Introduction to Word (Elective 3) ANS 1003 Introduction to Animal Science (3)	3 to 6

J. *College Credit through Industry Certification:* Students who obtain the following industry certificate(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
FLFBR005: Animal Science Certification	<u>Animal Science</u> ANS 1003 Introduction to Animal Science	3

Representatives of the College of Central Florida’s Career and Technology Education programs will review, at least annually, the content of the high school curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 70% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a grade of “S” and will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to The College of Central Florida until all required admissions criteria have been met.

III. Sharing of Data

The College of Central Florida and School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this agreement. The College of Central Florida will provide information about the sharing of data in its annual notification to students.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a "B" average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent/guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of eighty percent (80%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of "S" which will not factor into the student's CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Citrus County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Citrus County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.
