II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 80% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a grade of “S” and will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to The College of Central Florida until all required admissions criteria have been met.

Representatives of The College of Central Florida’s Career and Technology Education programs will review, at least annually, the content of the high school curriculum, as specified in this agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school career and technical program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the Career and Technology Education programs coordinator or obtain the industry certificate(s) as listed. The high school instructor and the College of Central Florida programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the College of Central Florida campus or to verify industry certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by industry certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of 80% on the comprehensive institutional examination or obtain the Industry Certification(s) as listed will be awarded a grade of “S” and will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinator at CF.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to The College of Central Florida until all required admissions criteria have been met.
