Appendix A Career Pathways Articulation Agreement Between The College of Central Florida and The School Board of Marion County, Florida

In a continuing effort to provide opportunities for secondary school students in the Administrative Office Specialist program to transition into The College of Central Florida’s (CF) postsecondary programs listed below, CF agrees to award college credit to eligible Marion County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

Secondary Program

Administrative Office Specialist

Postsecondary Program

Office Administration - Legal Office Specialist, A.S.
Office Administration - Medical Office Specialist, A.S.
Office Administration - Office Management, A.S.
Business Administration, A.S.

Marion County

Dunnellon High School
West Port High School

College

The College of Central Florida

I. Articulated Courses and College Credit

CF agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

A. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a grade of “B” or better before assessment will be made to award the CF credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
8207310 Digital Information Technology 8212110 Administrative Office Technology 1 8212120 Business Software Applications 1	OST 1100 Introduction to Word (3)	3

B. *College Credit through Industry Certification:* Students who obtain the following Industry Certification(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
MICRO 017 Microsoft Office Master MICRO 069 Microsoft Office Specialist Microsoft Excel Expert Microsoft Word Expert	<u>Microsoft Office Master</u> CGS 1100 Microcomputer Applications (3) OST 1110 Intermediate Word (3) CGS 2540 Database Management (3) <u>Microsoft Office Specialist</u> OST 1100 Introduction to Word (3) <u>EXCEL Expert</u> CGS 2103 Spreadsheet Applications (3) <u>WORD Expert</u> OST 1110 Intermediate Word (3)	15

Edited 1/19/23

Representatives of CF's Career and Technical Education (CTE) programs will review, at least annually, the content of the high school curriculum, as specified in this Agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a "B" average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent/guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of eighty percent (80%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of "S" which will not factor into the student's CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Marion County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Marion County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.

Representatives of CF’s Career and Technical Education (CTE) programs will review, at least annually, the content of the high school curriculum, as specified in this Agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent or guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain the Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of seventy percent (70%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of “S” which will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Marion County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Marion County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.

- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Marion County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.

I. Articulated Courses and College Credit

CF agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

C. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a grade of “B” or better before assessment will be made to award the CF credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
8207310 Digital Information Technology 8601000 Communications Technology 1 8601020 Communications Technology 2 8601030 Communications Technology 3	DIG 2100 Web Design I	3

D. *College Credit through Industry Certification:* Students who obtain the following Industry Certification(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
ADOBE020 Illustrator ADOBE022 Photoshop ADOBE010 Dreamweaver	DIG 2000 Introduction to Digital Media <i>*must have all 3 industry certifications listed on the left</i>	3

Representatives of CF’s Career and Technical Education (CTE) programs will review, at least annually, the content of the high school curriculum, as specified in this Agreement, to ensure standardization and attainment of goals.

II. General Provisions

Edited 1/19/23

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent/guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of eighty percent (80%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of “S” which will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Marion County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Marion County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). - D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Marion County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.

Appendix Q Career Pathways Articulation Agreement Between The College of Central Florida and The School Board of Marion County, Florida

In a continuing effort to provide opportunities for secondary school students in the Global Logistics and Supply Chain Technology program to transition into The College of Central Florida’s (CF) postsecondary programs listed below, CF agrees to award college credit to eligible Marion County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

Secondary Program

Global Logistics and Supply Chain
Technology

Postsecondary Program

Engineering Technology, A.S. – Quality Specialization
Engineering Technology, A.S – Advance Manufacturing
Specialization
Supply Chain Management, A.S.

Marion County

Lake Weir High School
West Port High School

College

The College of Central Florida

I. Articulated Courses and College Credit

CF agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

- A. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a grade of “B” or better before assessment will be made to award the CF credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
8207310 Digital Information Technology 9503110 Global Logistics and Supply Chain Technology 9503130 Global Logistics Operations 9503140 Global Logistics Management	OST 1100 Introduction to Word (3) Additional credits through Industry Certification only <i>**see below</i>	Up to 9

- B. *College Credit through Industry Certification:* Students who obtain the following Industry Certification(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
MSSCN 002 MSSC Certified Logistics Technician (CLT) GLA Global Logistics Associate	<u>MSSC Certified Logistics Technician (CLT)</u> TRA 2154 Introduction to Supply Chain (3) TRA 2230 Warehouse Management (3) <u>GLA Global Logistics Associate</u> TRA 2154 Introduction to Supply Chain (3) TRA 2230 Warehouse Management (3) ETI 1117 Introduction to Quality Control (3) <i>*Applies only to Engineering Technology A.S. degrees</i>	Up to 9

Edited 1/19/23

Representatives of CF's Career and Technical Education (CTE) programs will review, at least annually, the content of the high school curriculum, as specified in this Agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a "B" average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent/guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain the Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of seventy percent (70%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of "S" which will not factor into the student's CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Marion County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Marion County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent/guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain the Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of seventy percent (70%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of “S” which will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Marion County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Marion County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.

Appendix Y Career Pathways Articulation Agreement Between The College of Central Florida and The School Board of Marion County, Florida

In a continuing effort to provide opportunities for secondary school students in the Veterinary Assisting program to transition into The College of Central Florida’s (CF) postsecondary programs listed below, CF agrees to award college credit to eligible Marion County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

Secondary Program

Representatives of CF’s Career and Technical Education (CTE) programs will review, at least annually, the content of the high school curriculum, as specified in this Agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent/guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain the Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of seventy percent (70%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of “S” which will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Marion County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Marion County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.
