This specialized instructor course provides the required training an officer must have to apply for a General Instructor Certification. This course will introduce the student to the role, responsibilities, skills knowledge and expectations of a successful instructor and will enhance the student's facilitation and instructional abilities. Officers will be provided with classroom skills and knowledge to effectively provide training to criminal justice personnel.

This specific course will provide the criminal justice officer and/or recent recruit academy graduates with techniques to improve the effectiveness of speed enforcement through the proper use of law enforcement traffic radar and laser speed measurement instruments.

To register for this course, agency training officers should notify the CJI prior to the beginning of the program with the names of officers authorized to attend. **If an officer who is registered cannot attend, please notify CJI prior to the start of the course.**
