This course provides the criminal justice officer with specific occupational language in a limited time period. It is non-grammar based, using a highly effective phonetic system to allow immediate control of Spanish pronunciation. The student learns one-way communication using control questions that require yes or no answers.

To register for this course, agency training officers should notify the CJI prior to the beginning of the program with the names of officers authorized to attend. **If an officer who is registered cannot attend, please notify CJI prior to the start of the course.**

Casual clothing is recommended. Shorts, tank tops, and/or offensive T-shirts are not acceptable attire. Please use the south parking lot and park in spaces with white markings. Do not park in handicap or red spaces.
