This course is part of the Criminal Justice Standards and Training Commission Advanced Training program. These incentive courses are designed to enhance an officer's knowledge, skills and abilities for job performance.

This specific course will provide the criminal justice officer and/or recent recruit academy graduates with techniques to improve the effectiveness of speed enforcement through the proper use of law enforcement traffic radar and laser speed measurement instruments.

To register for this course, agency training officers should notify the CJI prior to the beginning of the program with the names of officers authorized to attend. **If an officer who is registered cannot attend, please notify CJI prior to the start of the course.**

Please use the south parking lot and park in spaces with white markings.

College of Central Florida offers equal access and opportunity in employment, admissions and educational activities. For inquiries regarding nondiscrimination policies contact the Title IX Coordinator at 352-291-4410 or Compliance@cf.edu. Visit CF.edu/TitleIX for details.
