RACING TO MANUFACTURING

Summer Camp

Racing to Manufacturing Engineering Technology summer camp is designed for students aged 12-15 to experience various aspects of manufacturing and engineering. During this day camp, students will explore the basics of CAD, learn about 3D printing, learn about FANUC industrial robots, and build their own project during camp.

June 14-17, 8 a.m.-4 p.m.

College of Central Florida,
3001 SW College Road,
Ocala, FL 34474
