2016 Annual and Donor Report

Mission Statement

The CF Foundation is a private, nonprofit, tax exempt 501(c)(3) organization providing resources to help the college carry out its mission of providing quality educational services to residents in Marion, Citrus and Levy counties. The Foundation provides exceptional opportunities for leadership service, voluntary action, charitable giving and community involvement. It also provides a variety of educational and cultural events to add to the quality of learning for our students and the community.

Dear Friends of the College and CF Alumni:

I am always awestruck by the generosity and kindness of those in our great communities who work with us to better the lives of students or strengthen key programs needed in our service area. Truly, I am fortunate for the trust given the CF Foundation.

I am not just speaking of the gifts given us. I am referring to the trust of our donors' vision of what a better world looks like. The act of giving is very much an expression of hope. Scholarships transform lives and give students the opportunity to pursue their dreams. This year 14 new scholarships were established adding to our over 400 scholarships. Gifts to the foundation for needs such as CF's Health Sciences Simulation Center help purchase the much needed equipment to meet dire needs in our communities. Some gifts transform programs to their core allowing for dramatic expansion as the gift of Vintage Farm has done to our Agribusiness and Equine Studies programs.

A quick review of our financials will show the CF Foundation had one of its best years in 2016. It is because of you – our friends and alumni.

So, as the college celebrates 60 years serving Citrus, Levy and Marion counties, the foundation salutes all of our donors through the years and last year who have shared and entrusted their hopes for a better world with us through educational advancement.

If we can be of assistance, please get in touch. The foundation team is here to help you achieve your goals while helping our students and the citizens and businesses of our communities reach ever higher.

Sincerely,

A handwritten signature in blue ink that reads "Chris R. Knife".

Christopher R. Knife
