**Distinguished Alumni Award
Ben Marciano**

The College of Central Florida is proud to recognize Ben Marciano, owner of Zone Health and Fitness, as recipient of this year's Distinguished Alumni Award. Marciano graduated from CF in 1999 with a degree in Criminal Justice.

Marciano has two Zone Health and Fitness locations in Ocala and is passionate about the benefits of health and fitness. He also works with the community to address health issues. Marciano is very involved with the local community and volunteers with several charitable organizations to make Marion County a better place.

One of those organizations that he and his wife, Danielle, support is the Arnette House, where they have mentored several boys from the group home. They consider the boys part of their family and believe that they get more out of it than the boys do. They feel fortunate to be in the position they are today.

True to his alma mater, he has supported CF in many ways. Zone Health and Fitness has been a signature sponsor for the CF Athletics program for many years. He often partners with CF in recruiting and he hires students. In addition to Marciano's involvement with the Arnette House, he is a supporter of several organizations including the American Heart Association, the United Way and The Centers, to name just a few.

What makes a college first choice for higher education?

Seventy-six percent of CF students graduates with no student loan debt.
