

PTA Program Required Books by Semester

All of the books purchased in the pre-requisite classes and in Fall Semester Term IV are used in later semesters. Books can be purchased from the CF bookstore, online book sellers such as Amazon or in many cases directly from the publisher's web site. Students are encouraged to search multiple options to be sure they are getting the best price.

***All the above textbooks will be used not only during the PTA courses
but also after graduation when working as a licensed PTA.***

***Students are also encouraged to save their textbooks
from Anatomy and Physiology and Statistics
as these books will be excellent resources
throughout the PTA program and after graduation.***
