

# High-Quality Surgery at a Fraction of the Cost

Hi,

Did you know you can potentially save hundreds to thousands of dollars on your surgery cost depending on where you go? See how below.

When it comes to **outpatient** surgical procedures, choosing the right facility can make a significant difference in both cost and convenience. Outpatient surgery centers offer a compelling alternative to hospitals, providing high-quality care at a fraction of the cost. With **Healthcare Bluebook**, you can easily find green-rated outpatient facilities that ensure excellent care while keeping your out-of-pocket expenses low.

## WHY CHOOSE OUTPATIENT SURGERY CENTERS?

- **Dramatic Price Differences:** Outpatient surgery centers often charge considerably less than hospitals for the same procedures, leading to substantial savings.
- **Convenience:** Outpatient facilities are designed for efficiency, often resulting in shorter wait times, more personalized care, lower infection rates, and faster recovery periods.
- **Lower Out-of-Pocket Costs:** By opting for an outpatient surgery center, you can significantly reduce your out-of-pocket expenses without compromising on the quality of care.

## FIND A SURGICAL CENTER IN YOUR AREA:

1. **Log In:** Log into Bluebook and enter your credentials.
2. **Search:** Enter the medical service you need in the search bar. Ex. Total Knee Replacement.
3. **Filter:** Use the green symbols to identify high-quality low-cost providers in your area. You may need to use the filter option to sort and narrow down results.
4. **Choose:** When available, select a provider that's rated green for both cost and quality.
5. **Save:** Have your service performed at a green-rated Fair Price™ provider and you can feel confident you are getting high-quality care at the best price saving on your out-of-pocket expenses.
6. **EARN A REWARD:** You can earn up to a \$6,000 reward every time you search within 12 months prior for select procedures using Healthcare Bluebook and choose a Fair Price™ green facility for your outpatient procedure. If you need an inpatient procedure, be sure to select a facility that has a green quality ranking with either a green or yellow cost rating. Use a facility that has a reward indicator next to it.

Using Bluebook to find an outpatient surgery center not only helps you save money but also provides a more convenient and efficient care experience. By selecting green-rated facilities, you ensure high-quality treatment while keeping your expenses in check. Start your search for savings today!

**Check to make sure the green facility you choose is in your network before scheduling.**
