

Logging in for the First Time

1. Check the email that you applied with to receive your **CF Student ID**. You will need this ID to start the log in process.
2. Go to MyCF.cf.edu and select “Recently Applied to CF? Login Here”

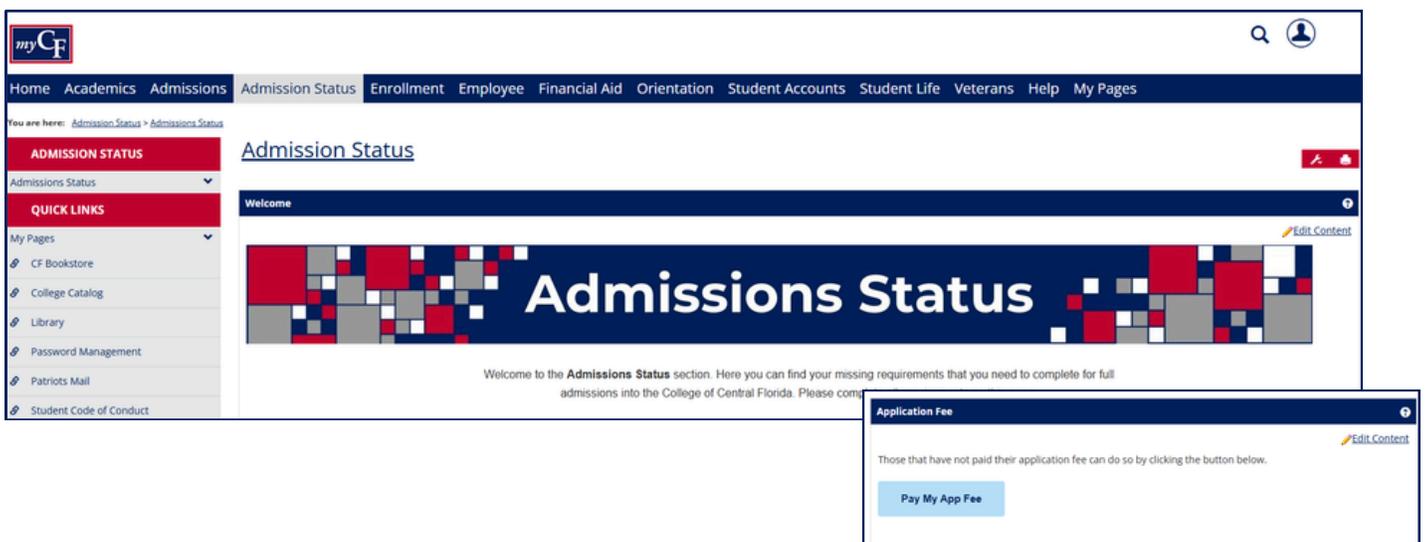

3. Put your CF Student ID number into “Username” and then click “I forgot my password” to set your password.

Please note, this password will change once you receive your Patriots Mail account.

4. Next, **navigate to the Admission’s Status tab**. Here you can complete certain requirements in order to move forward in your admission’s journey. First, you must:

- **Pay the application fee** (Please disregard this if you were given an application fee waiver)
- **Submit a copy of your Social Security card** if you did not upload it during the application process (if required for your application) by bringing it to a CF campus near you.

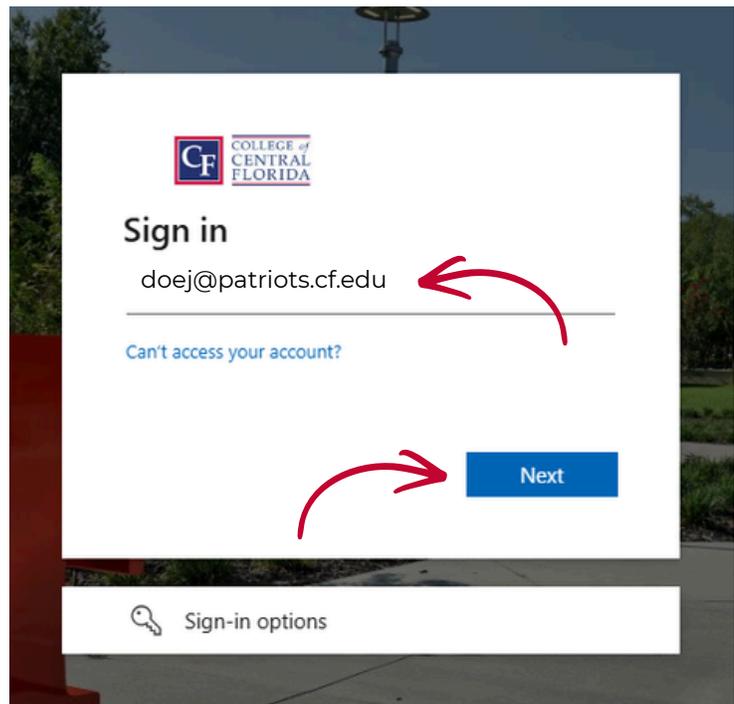

5. Once completed, you will get another email that will give you your **Patriot's Mail account**. From this point on, all CF communications will go to your newly created Patriots Mail account.

6. **Log into MyCF.cf.edu with your Patriot's Mail account** by selecting the “**Log In**” button.

7. Follow the steps on screen to complete your log in and creation of new password.

8. You're done! Going forward, use your Patriots Mail address and password to log into the MyCF Student Portal.

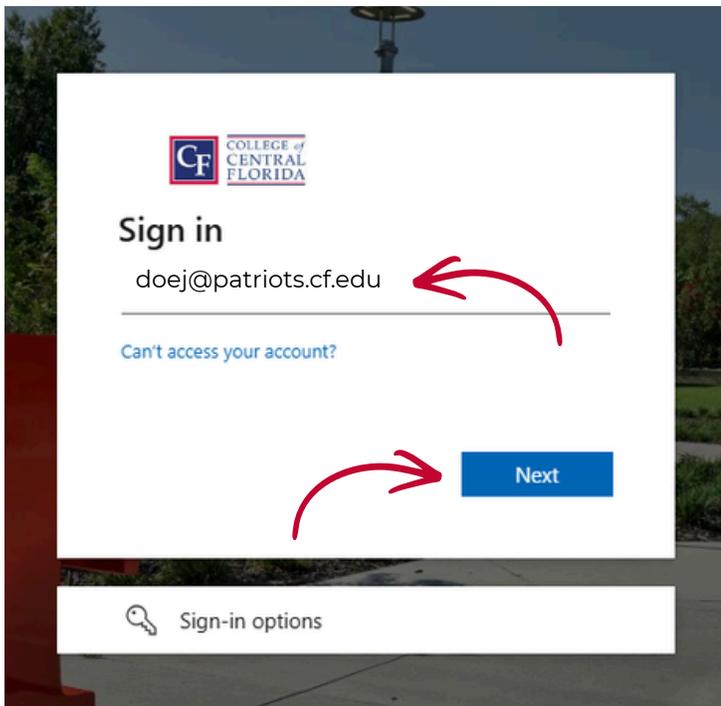

Forgot your password? Go to the next page.

Changing your Patriots Mail Password

1. To change or reset your password, click the “Log In” button on the MyCF Student Portal

2. Type in your Patriots Mail address

3. On the next page, click “**Forgot my Password**” to set a new password.
