Per State Administrative Rule, Class C meal allowance is defined as taxable income by the Internal Revenue Service and is subject to withholding of income and social security taxes. It is required to be reported as wages on the traveler’s W-2 form.

When a meal is included as part of a registration fee for an activity, conference, convention, seminar, etc., no reimbursement will be authorized. When meals are provided as part of a program, the employee will not be reimbursed unless they have a special dietary requirement. If the employee falls under this exception, they need to include a brief statement that they paid for their special meal out-of-pocket because of a special dietary requirement. The exceptions are paid at the Statute amount.

Mileage: Mileage reimbursement shall be at the current state–approved rate.

Personal Vehicles – Reimbursement shall be computed on the basis of the current map of the Department of Transportation with mileage shown from the origin point to the destination point.

College Vehicles – The odometer reading at the beginning and end of trip will determine the amount charged to a division or department for travel expense.

In-District Travel – The President or the President’s designee may authorize in-district mileage allowances for persons traveling routinely on college business. This may include both credit and non-credit instructors, in addition to those employees who, as a regular part of their duties, visit high schools, civic clubs and businesses, or assist with off-campus registrations. Travel mileage will not be paid for regular full-time instructors to travel to Ocala for purposes of instruction.
