Persons employed through a grant or similar type of non-recurring funds hold their positions only for the duration of the grant. In some instances, a special salary schedule may be approved and utilized for the duration of the grant or project; otherwise, the College Salary Schedule determines grant-funded positions. This special schedule must be recommended by the President and authorized by the District Board of Trustees before including it within the grant proposal to be submitted for funding. Persons employed in positions funded by grants should not expect continuation of employment beyond the expiration of the grant.

Annual increases must be projected in grant budgets. The amount of increase will not differ from increases approved for regular College employees. Increases for grant-funded persons are given at the same time as other College employees. Reclassification of positions funded through grants must follow the normal College reclassification process.

Except as provided herein, grant employees are eligible for College benefits and subject to all other terms and conditions of employment.
