It is the intent of the college to provide students with appropriate activities, organizations, and clubs and to allocate funds from collected student activity and service fees to support such activities. A student governance organization will be established as the official representative of the student body in connection with matters relating to the college. All organizations must be open to any College of Central Florida student who meets the entrance requirements of the college and any additional membership requirements specific to a particular organization or club and approved by the college at the time the organization or club is officially recognized by the college. All organizations or clubs must have an advisor who holds the position of full-time faculty, professional, or administrator. Other employees may serve as advisors upon prior approval of the Chief Student Affairs Officer on the Ocala Campus or the Lead Administrator at the Citrus Campus or Levy Center. Student groups seeking recognition by the college as an official club or organization must follow the procedures set forth in the Student Activity Procedures Manual. The Student Activity Budget will be developed and recommended to the President by the Student Life Committee annually. The committee membership consists of students, staff, faculty, and administrators. Student groups not recognized by the college as official organizations or clubs may not participate in the student activity fee budget, planned activities, or free rental of college facilities or use "College of Central Florida" in its name or represent generally that it is an official student organization or club.

A copy of the Student Activities Procedures Manual and other pertinent information are available in the office of the Chief Student Affairs Officer of the college, the administrative office at the Citrus County Campus and the Levy County Center, and the office designated by the President as the responsible authority for student activities.
