The College subscribes to the principle that the primary purpose of a financial assistance program is to provide aid to students who demonstrate financial need, academic merit or special talent to assist them in meeting their educational goals. Assistance may be provided through loans, federal, state and/or institutional grants, talent grants, academic scholarships, and/or work opportunity to those who qualify. Students who wish to receive financial aid from College-funded sources should apply for federally-funded aid programs for which they might be eligible.

The College will require students to meet satisfactory academic standards of progress to qualify for and retain federal student financial aid. The College recognizes the student right to appeal a financial aid award decision. A copy of award and appeal procedures is on file in the Office of Financial Aid and the Enrollment Services Center.
