# CITRUS CAMPUS

The Citrus Campus is CF's second-largest campus and features multiple computer labs, state-of-the-art biology and chemistry labs and outstanding training opportunities for future medical professionals, including a hospital room suite equipped with patient simulators. For down time between or after classes, students can relax in two student lounges that feature a ping pong table, pool table, video games and more.

## **Academic Programs**

The Citrus Campus offers a number of degree and certificate programs, including the Associate in Arts degree, which is typically the track students would pursue to transfer to a four-year bachelor's degree program. The Citrus Campus offers programs in Nursing and Emergency Medical Services as well as courses leading to Associate in Science degrees in a variety of fields. Several certificates and degrees are available entirely online.

## **Student Services**

**The Educational Opportunity Center** is a federal program offering counseling and information on college admissions and financial aid to qualified adults.

**The Testing Center** offers a variety of services required for admission and placement into academic and vocational programs, as well as for special fields of training. Many types of tests are available to students, local industries, and the public at CF Citrus including PERT, CLEP, HESI and WONDERLIC. Career Scope, a free interest and aptitude test for education and career guidance, is also available.

**The Learning Resources Center** offers hundreds of books, e-videos, e-books and publication databases for research. Study with a group in private study rooms with white boards and projectors, or alone in individual study pods with foot rests and electrical outlets.

**The Learning Support Center** offers group and private tutoring in many subjects.

*Students who earn their A.A. degree are guaranteed admission to one of Florida's public universities. The process is seamless with the University of Central Florida **DirectConnect™** to UCF or University of South Florida **FUSE** program.*

## The CF Citrus Campus is conveniently located in the heart of Citrus County.

### Dual Enrollment

High school students may earn college credit through Dual Enrollment. Students take classes at their high school campus or the CF Citrus Campus and earn dual credits for high school and college. This decreases the amount of time it will take to complete a college degree, and classes and textbooks are free! To learn more and see if you qualify, visit » [CF.edu/Dual](https://cf.edu/Dual).

### The Honors Institute

Through the Honors Institute, students are eligible for Community of Scholars scholarships valued at \$3,000 and \$1,500. The Honors Institute offers dedicated academic advisors, early registration, challenging curriculum, service learning opportunities and field trips. To learn more and apply, visit » [CF.edu/Honors](https://cf.edu/Honors).

### Student Life

Student life at CF Citrus is bustling. Student clubs are a great way to connect with like-minded people and become involved on campus. Many clubs provide scholarship funds to members. To learn more, visit » [CF.edu/StudentLife](https://cf.edu/StudentLife) or call 352-746-6721, ext. 6141.
