# »»» LEVY CAMPUS

The College of Central Florida is excited to make higher education more accessible for residents of the Nature Coast. The CF Jack Wilkinson Levy Campus is the first permanent higher education facility in Levy County. In addition to many of the same amenities you will find at the Ocala Campus, the Levy Campus offers fully equipped multi-purpose classrooms, state-of-the-art computer labs for college credit and corporate education courses, a large multi-discipline science lab, and 3,000 square feet of exhibit and conference space that will accommodate nearly 200 guests.

## **Academic Programs**

The Levy Campus offers a number of degree and certificate programs, including the Associate in Arts degree, which is typically the track students pursue to transfer to a four-year bachelor's degree program. The Levy Campus offers programs in Welding Technology and Emergency Medical Services, as well as prerequisite courses leading to Associate in Science degrees in a variety of fields including nursing. Several certificates and degrees are available entirely online.

## **Student Services**

The Levy Campus offers a variety of academic and support services for students. Admission, assessment, placement and registration services are available, and academic advisors are on hand to guide you through your educational choices in credit and noncredit programs.

**The Testing Center** provides services required for admission and placement into academic and vocational programs, as well as for special fields of training.

**The Learning Resources Center** offers hundreds of e-videos, e-books and publication databases for research. Study with a group in private study rooms with white boards or alone in individual study pods with foot rests and electrical outlets.

**The Learning Support Center** offers tutoring in many subjects. Group and private tutoring appointments are available.

*Students who earn their A.A. degree are guaranteed admission to one of Florida's public universities. The process is seamless with the University of Central Florida **DirectConnect™** to UCF or University of South Florida **FUSE** program.*

**Want to be a future University of Florida student?** Complete your Associate in Arts degree at the CF Jack Wilkinson Levy Campus and transfer to UF or another state university in no time.

## Dual Enrollment

High school students may earn college credit through Dual Enrollment. Students take classes at their high school campus or the CF Levy Campus and earn dual credits for high school and college. This decreases the amount of time it will take to complete a college degree, and classes and textbooks are free! To learn more and see if you qualify, visit » [CF.edu/Dual](https://cf.edu/Dual).

## Adult General Education Programs

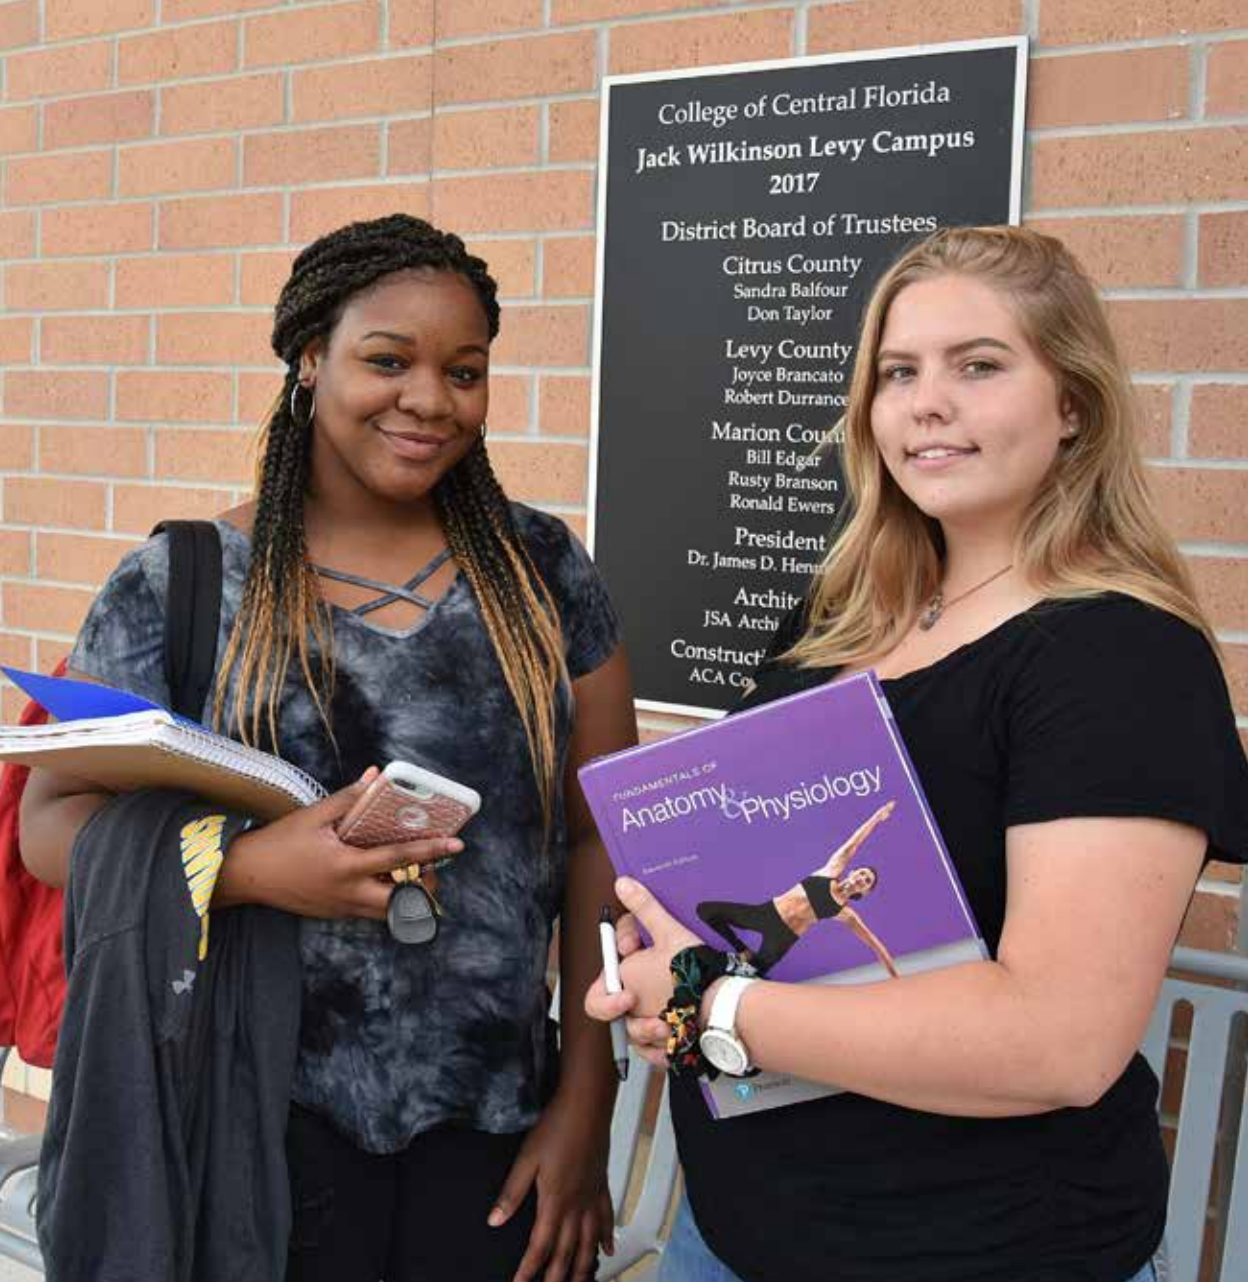

The Levy Campus offers General Education Development (GED) preparation and Adult Basic Education to improve English and math skills. Day, evening and online classes are available; GED tests are offered weekly.

## Student Life

Student clubs are a great way to connect with like-minded people and become involved on campus. Some clubs provide scholarship funds to members. Clubs include Phi Theta Kappa, the largest honor society in American higher education, and the Student Activities Board, the central governing student organization on campus.
